Crating & Facility Information

CRATING SPACE IS LIMITED!

We ask that exhibitors be considerate of others regarding crating space. There are a number of rooms in the front part of the building which will be marked as crating areas. There is limited crating next to the ring, which can be used if the dog in the crate is well-behaved. Crating space is extremely <u>limited</u>, so plan on getting cozy with your neighbor and sharing where you can. Crates have priority. Ex-pens are allowed but must contain 3 or more dogs. If there is insufficient space, you will be asked to remove chairs from the crating area. Due to space limitations, unentered dogs may be asked to leave.

The Event Committee may limit or move an exhibitor's crating area if it is in the best interests of the trial.

Class Counts pending move-ups.

This is NOT the class order. Please see above for class running order.
